

Company Profile

My Home GP is a Government Accredited provider of after-hour's home visiting doctor services. We are a privately owned Australian company that has been proudly serving the needs of people across Melbourne and Sydney since 2012.

We are passionate about ensuring people receive the highest quality healthcare during times when options are often limited and are proud of the essential role we play in supporting local **GP's and** helping to alleviate the increasing strain being placed on our Hospital Emergency Departments by dealing with urgent but non-critical health conditions outside of a hospital setting.

Our purpose is *bringing high quality and affordable after hours healthcare to patients in the safety and comfort of their place of residents.*

Our vision is *to be recognised for excellence in patient care and contribute to a more sustainable healthcare system.*

Our values guide us in everything we do and shape the way we engage with our team and the broader community.

Caring: We always choose the *kindest* way

Safety: We always choose the *safest* way

Excellence: We always choose the *best* way

Integrity: We always choose the *right* way

Our team of caring and experienced doctors visit patients at their home or in aged care facilities from 6pm every weeknight, 12 noon Saturdays and all day Sundays and on Public Holidays.

We provide a safe and caring work environment and continue to strive for excellence in patient care by upholding the highest clinical standards.

Our doctors receive on-call clinical support from our Medical Director and access to ongoing Professional Development to ensure they continue to hone their skills in urgent care medicine.

We are rapidly expanding our service and are seeking Doctors' who hold full registration with the Medical Board of Australia, are Citizens or Permanent Residents of Australian and have at least 2 years post graduate experience to join our experienced team.

We offer;

High Income Potential

- Ability to earn over \$300k (full time)
- Access to sizable and growing patient demand
- Guaranteed hours and minimum call out rate after 11pm

Flexibility & Security

- Choose to work the hours that suit your needs
- Choose to use your own car or we can provide a car and chaperone to drive you to and from patient visits

Professional Development & Support

- Professional support from our experienced Medical Director
- Level 4 supervision for Doctors currently working in Australia
- Gain up to 2.5 years toward your eligibility to sit the RACGP Fellowship Exam
- CPD events & facilitated research opportunities
- Easy to use systems and full administrative support

Top 5 reasons why people regularly choose our service

No cost to You.

Our service is 100% bulk billed for Medicare, DVA and Concession cardholders.

Simple Booking Process.

You can request a doctor online or by calling 1300 968 737 from 4pm weekdays, 10am Saturdays and all day Sunday and Public Holidays.

Caring & Experienced Doctors.

We aim to have one of our AHPRA registered doctors visit you within 2 hours of the booking being confirmed.

Free Basic Medications.

Our Doctors are equipped to treat a range of common ailments and can dispense basic medication free of charge.

Continuity of Care.

Our service does not replace your daytime GP and we ensure notes are passed to them the next day and a follow up visit is scheduled where required.

Our Leadership Team

Our leadership team each have over 20 years' experience in managing healthcare and/or other service businesses and are passionate about ensuring people receive the highest quality after hours' healthcare in the most privileged setting - their home.
